## *Be Creative @ PVPL*

This past May, PVPL was awarded a 2019 Library Services and Technology Act (LSTA) grant for “Be Creative at PVPL”, in the amount of \$4,000. This program will build upon the success of the library’s 2017-18 Creative Aging Grant, which primarily focused on art based classes for our 50+ age community members. This new grant will allow the library to offer monthly art classes, designed for our 50+ community, beginning in September 2019 and running through April 2020. Our new art instructor is Sally Davidson.

September’s class is already full, but please check our website for future classes.

Classes are registration based and space is limited. Please check our website (Classes) for registration information or ask library staff.

*This project is supported by the Arizona State Library, Archives & Public Records, a division of the Secretary of State, with federal funds from the Institute of Museum and Library Services.*

## Staff Feature

**Name: Gen Priest**

**What do you do at the library?** I am the new Admin Support person. I do standard office work, including room reservations for our public meeting rooms.

**What do you love about your job?** I love being behind the scenes and I love helping people.

**What do you like to do when not working at the library?** I like to be in the great outdoors; walking, hiking, or driving. I take my kids on adventures to Go and See and Do.

**What’s your favorite, and why?** The kids and I love listening to audiobooks in the car and I enjoy Arizona Highways Magazine to learn more about this state and inspire future adventures!

**What have you read lately?** The Food Explorer: The True Adventures of the Globe-trotting Botanist Who Transformed What America Eats, by Daniel Stone. It is so fascinating! I love food, and I love history.
