

PRESCOTT VALLEY PUBLIC LIBRARY

DONATIONS POLICY

The Friends organization is a 501(C)(3) corporation and donations made to them are eligible to be tax deductible. Therefore, all donations for the benefit of the library will be made to The Friends of the Prescott Valley Public Library.

The Friends regularly accept donations of books, magazines, dvd's, cd's and jigsaw puzzles. Guidelines for these donations are available from The Friends. If someone wants to donate something other than these items they can contact The Friends through their email address FriendsofPVLib@yahoo.com to find out whether The Friends are able to accept the donation and, if so, to make arrangements.

Adopted: June 27, 1994

Revised: September 4, 2018

Rationale: In conjunction with the repeal of the 2010 Donations Policy, these changes make it clear the library will no longer receive donations of any kind, that The Friends reserve the right to decline unwanted donations, and that donations made to The Friends are tax-deductible. This document replaces the repealed Gifts Policy dated June 27, 1994 and the Donations Policy dated November 10, 2010.
